

Clerk's Notes May 2024

1. We will be moving our meeting to the Church Hall for July 2024, to accommodate the Darke's School event which they hold annually in the Village Hall. I will remind everyone in due course.
2. There was an outage of the Parish Council email, from 1st to 4th May 2024. This was caused by technical problems of UK2, the email provider.
3. Following instructions from the Government department that controls.gov emails, our Parish Council emails are not compliant. I have therefore set up new emails for everyone – xxx@eastbudleigh-pc.gov.uk which will mean that we are no longer re-directing emails via a third party. I am already finding that government emails are no longer landing in the Spam.
